

# kitchen accessories

Running an efficient, well-managed foodservice operation is easier with food pans and kitchen accessories from Carlisle. Our food pans add the versatility, storage convenience and ease you want. And our accessories fit the need to get the work done efficiently and right.

## Carlisle Top Notch® Food Pans

Easy-Grip, Reinforced Corner Tab provides a quick, and easy way to remove or reapply lid.

Top Notch® Lids, Recessed handles offer a secure grip. Notched lids allow easy access with serving spoons. Rim around notch helps prevent contamination from spills.

Date Code provides convenient space for marking date to help identify product freshness and quality.

Moulded-In Lid Size on top of each lid offers immediate identification.

Carlisle unique universal lids fit **ALL** major competitors pans

Textured Bottom and Lids reduces scratches. Clear sides allow for easy viewing of contents.

Spoonable™ Bottoms add structural rigidity and allow easy access to contents to eliminate food waste.

Reinforced Corners give extra support and increased strength to resist breakage and warping of food pan rims.

Easy Lifting Spoon Notch Allows for a safe, sanitary and convenient way to remove food pans from steam tables and recessed deli display counters, food bars, etc.

Drain Shelves Sturdy feet support contents and allow room for easy drainage.

Capacity Indicators Sides of Top Notch® Food Pans are marked in both litre and quart capacities. Pan capacity (set for flush fill) and portion counts are moulded-in to exterior of food pan bottom for easy portion control.

## TOP NOTCH® FOOD PANS

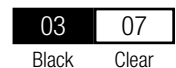

Easy Lift Spoon Notches allow easy removal from recessed counters. This easy lift notch reduces direct hand-to-food contact for greater food safety. Meets specifications for use in food bars and Bain Mariés. Pans meet EN 631-1 Euro Norm standards for inter-stacking with competitor pans. Available in polycarbonate(PC) pans which withstand temperatures of -40°C to 100°C. Polysulfone high heat for high temperature applications -40°C to 190°C.

## UNIVERSAL LIDS

The new Carlisle Universal Lid is compatible with all major competitor food pans

Smart Lid's unique inside seal design provides superior leak-resistance; protects against spills.
