

# foodservice **trays**

Carlise's trays and accessories are just what you need for easier foodservice and bar service. For size and colour selection, lightweight durability and user stability, we make the trays that set the quality standard.

## SMC TRAYS

Durable Trays made from SMC material are designed to hold up in busy foodservice environments. High impact resistance; resistant to food acids and chemicals.

PAGE ITEM	PROD NO.	DESCRIPTION	CASE PACK	LIST PRICE

## STANDARD CAFE® TRAY

Traditional scratch-resistant basket weave design reduces slipping and helps prevent accidental spills.

## TRAPEZOID CAFE® TRAY

Space saving shape allows diners to eat directly from trays without unloading tray and promotes self clearing, reducing costs.

## HANDLED CAFE® TRAY

Handled tray is easy to carry and offers added strength.

**Note:** Griplite® Trays do not carry our standard 5 year guarantee

**FIBERGLASS TRAYS**

Our Fibreglass trays are the most durable available. The construction increases strength, creating a rugged tray that has a five year warranty against breakage. Two thick reinforcing fibreglass core mats increase strength and chemical resistance & metal rods eliminate warping. Unique design, reinforced corners and stacking lugs ensure stability and air flow to all stacked trays, reducing drying time.

**TRAPEZOID**

Space saving shape allows diners to eat at table without unloading tray and promotes self clearing, reducing cost.

**EURONORM/METRIC TRAYS**

Fibreglass trays designed specifically to accommodate Euronorm foodservice dimension standards.

**REFERENCE: CUSTOM IMPRINTING**

**CUSTOM DECORATED FIBERGLASS TRAYS  
FIBERGLASS HEAT TRANSFER AND CUSTOM COLOUR INFORMATION**

Available for Fibreglass Trays shown on page 45.

1. Any shape or size can be personalized or provided in a custom colour.
2. All orders subject to shipment of plus or minus 10% of the quantity ordered.
3. Requests for more than one sample, or for samples without firm purchase order, will be charged €75.00 net for first colour, or custom colour, and €25.00 net for each additional colour.
4. Final order will be produced when Carlisle is supplied with written approval of sample submitted.
5. If camera-ready art supplied is not satisfactory for quality reproduction, Carlisle will quote artwork charges necessary to improve artwork.

**Note:** Art should be original and NOT photo copy or rough drawing. (Cost of new art will be quoted separately.)

6. A minimum order of 144 trays is required for custom colours or heat transfer.
7. Custom decorated and custom colour products are not accepted for exchange or refund.
8. Fiberglass trays are available in full case packs only.
9. One-time film charge of €15.00 Net Price per colour for image sizes up to 216mm x 280mm. Additional charges will apply for images over 216mm x 280mm.

**HEAT TRANSFER CHARGES (NET CHARGES PER ORDER)**

Camera-ready artwork is required for ALL imprinting. Camera-ready art is defined as a sharp black and white image enlarged or reduced to proper size, ready for reproduction. Artwork must be clean with clear, crisp detail. Camera-ready artwork DOES NOT INCLUDE business cards, letterhead, or faxed-in logos. Artwork can also be sent on a CD, USB, or e-mailed to (call to get email address). Digital artwork must be high resolution 300 dpi in an eps or tiff format. Artwork should be sent in the original format in which it was created. Artwork must also be properly separated when more than one colour is used.

**Note:** Logo colours must be darker than base tray colour.

Quantity	1 Colour	2 Colours	3 Colours	4 Colours
144-276 each	None	€25.00	€50.00	€75.00
288-420 each	None	None	€25.00	€50.00
