CLASSIC™ CROCKS

Thick walled heavyweight design, made of SAN which has excellent chemical resistance to food acids & dressings. High-gloss finish is extremely scuff-resistant.

POLY-TUF™ CROCKS

Resilient polypropylene is the economical choice. Optimum wall design gives greater break-resistance. Glossy-finish crocks resist chipping and cracking.

SUPREME™ CROCKS

Same features as our Classic™ Crock but with a 38mm rim to give a stylish bowl-like appearance when dropped into food bar templates.
