STEP-ON RECTANGULAR WASTE CONTAINERS

Ideal for environments where hand's free waste collection is mandated or the preferred method. Durable construction stands up to heavy use while maintaining appearance. Hands-free design minimises exposure to refuse and soiled debris. Durable foot pedal withstands extensive use. Non-metallic construction is chemical-resistant corrosion-proof. Colour coded lids assist with HACCP programs and other applications where color coded waste designation is desired (i.e. recycling, biohazard, etc).
