

# storage & handling

Our leadership in designing products for safely storing and transporting food ensures that Carlisle helps make food safety much easier. Distinct colour-coding, superior sealing and easy to clean surfaces are just some of the ways Carlisle simplifies maintaining your food safety programme.

## STORPLUS™ FOOD STORAGE BOXES & LIDS

Carlisle's exclusive Colour-Coded boxes designed to reduce the potential for cross contamination during the storage and transfer of ready to eat and raw foods. Reinforced top and bottom corners on both box and lid, help prevent chipping and cracking. Capacity indicators for better portion control. Easy to clean and stackable with competitor products.
